DESCRIBE THIS USE OF FORCE:

Subject1: B/M 20-24 years old wearing all black. Near the area of SW 4th Avenue and SW Morrison Street, I was tasked with clearing the street. I told a male to move or force would be used against him multiple times. The male yelled at me and turned his back to me. The male appeared to be slowly walking away in order to slow my teams progression down the street. I pushed the male 2-3 times with my baton. After one of my pushes the male flung his jacket at me which hit me in the chest. I pushed the male again. The male ran off into the crowd.

I pushed the female 2-3 times in the torso to move her down the street. I also picked up the females bike and pushed it down the street so she would move.
