DESCRIBE THIS USE OF FORCE:

YES — WHEN THE RESISTANCE DECREASED, I REDUCED MY AMOUNT OF FORCE TO A LEVEL REASONABLY CALCULATED TO MAINTAIN CONTROL.

DESCRIBE WHY OTHER FORCE OPTIONS WERE REASONABLY CONSIDERED BUT NOT USED:

On 6/6/2020 at about 11:30 PM (approximate) I was deployed as a member of the Rapid Response Team assigned to Charlie Squad. We where deployed to the downtown core area regarding thousands of people protesting in regards to the George Floyd incident. This was the 9th night of unrest.

Throughout the night many protesters throw objects at police including, rocks, glass bottles, water bottles, chunks of concrete, incendiary devises like flares and mortar style fireworks. Via the sound truck many attempts where made to gain compliance with the crowd to stop harming officers when throwing objects.

Around 10:30PM the gathering was considered a civil disturbance and people where ordered the leave the area (via sound truck). Thousands of people stayed and continued to set fires, throw hard objects and continued the general unrest.

Around 111:30 PM Charlie squad of RRT was given a direction to clear out the hundreds of people in park between SW Main and SW Madison. between 3rd and 4th ave. Many of the protests where lining the erected fence around the Justice Center and throwing objects at police.

Around 11:30 PM Charlie squad along with other officers where given an order to disperse the area of Chapman square and Lownsdale Square. While doing this we had a sound truck giving orders for people to leave the area or arrest and force maybe used.

As part of an RRT scrimmage line we moved south from SW 3rd Ave through the park trying to get people to leave. While moving through the park protesters where continuing to throw objects at us. We cleared the park and began to disperse protesters north on I believe 4th ave.

CASE # 2020-680613 | OFFICER Green | DPSST 50157 | ☐ AMENDED

At one point a man in a dark jacket came running up to me in my direction. I saw he had a full mask with a respirator on. Many if not all people where running away. He ran towards me and I gave him an order as loud as I could to turn around and leave the area. The man continued to walk towards me flailing his arms and gesturing to fight. This subjects stopped just feet in front of me flipped me off. He yelled something I could not hear.

I raised my baton to try and guide him down the street. Once I raised my baton he reached out and grabbed it. For a few seconds there was a back and forth tussle for my RRT baton. I had my OC pepper spray in my right hand. I feared this subject was going to steal my baton and use it against me. I raised my right hand with my OC pepper spay and deployed it at his face. The subject let go of the baton and took a few steps back. The subject raised his arms and gestured to me as though he wanted to fight.

In nights passed protesters would flee after being pepper spayed. Due to this subject wearing a mask with a respirator, I believed he was more confident and brassen. I took a few steps forward towards him and deployed my pepper spay again. This time aiming near the seals of his mask. After a few seconds of constant pepper the subject turned and ran away.

No witnessed where found. Do to the dynamic nature of the incident and rapid evolving situation I was unable to look for witnesses.
