EXPLAIN

On said date and time I was assigned to the Rapid Response Team (RRT) Charlie Squad as a grenadier. This protest/ demonstration was directly related to the death of George Floyd. From 5/29 through 06/06 there have been numerous marches and demonstrations occurring through out day and night. On these dates, PPB have deemed these events as an unlawful assembly/ riot on 05/29 and an unlawful assembly(s)/ dispersal orders at various times from 05/30 to 06/06. Each night the downtown Portland core area (primarily), as well as other areas in NE/SE Portland sustained numerous and on-going property damage, fires being set, looting, objects being thrown at police (rocks, bottles, batteries, incendiary devices, etc) and assaults. There was even reports of an assault with a firearm on 05/29 and 05/30. In addition, numerous fire arms have been confiscated off individuals that are directly related to these events.

Through out this particular evening I engaged numerous, unknown individuals with direct impact rounds (FN rounds) in order to deter and stop assaults from occurring. My engagement to groups/individuals was caused by numerous subjects throwing rocks, full water/ glass bottles, incendiary devices and other hard objects at police officers.

This incident as a whole was later deemed by the Portland Police Bureau as an Unlawful Assembly and Dispersal Order was given by PPB sound truck.

On this particular day/ event, individuals and/or this group coordinated numerous and on-going attempts to assault police officers as we maintained a defensive posture surrounding the Justice Center (fence line and jersey barriers to provide perimeter). We did not engage as we stood by as numerous and ongoing items were being thrown at officers (water bottles, glass bottles, fruit, objects from a sling shot, laser pointers and other hard objects).

EXPLAIN

Through out the evening and until the early morning hours numerous assaults were occurring. PPB deemed the protest as an Unlawful Assembly and provided a Dispersal Order as we maintained a defensive positioning around the Justice Center. The crowd failed to disperse when the order was given to do so as the sound truck provided clear and concise information and provided a direction of travel to the crowd. My legal authority and sworn duty as a police officer was to protect life, property and infrastructure which included police officers, civilians, businesses and critical infrastructure.
