EXPLAIN

On 06-07-2020 while working East precinct night shift I was assigned to the mobile field force and deployed to the downtown area to assist with crowd control and providing security for the fenced area around Central Precinct.

At approximately 0000 hours my unit was activated to assist RRT units and OSP outside of the fenced area to clear the crowd from the area designated closed and declared an illegal assembly by the Portland Police Bureau.

LEGAL AUTHORITY FOR CONTACT

☐ REASONABLE SUSPICION ☐ WARRANT/JUDICIAL DECREE ☐ OTHER

☒ PROBABLE CAUSE ☐ CIVIL HOLD ☒ CIVIL UNREST

EXPLAIN

I contacted JONSSON III and approximately three other males at approximately 0047 hours at the corner of SW 3rd and Washington to investigate the theft of a Portland City traffic cone - one of the males in the group was holding the cone.

I saw JONSSON III, and his group walk southbound on 3rd, while I was waiting for a Field Arrest Team to take custody of two other suspects, into the area that had clearly been designated closed and not away from it.

☐ REPORTED TO BE ARMED ☐ UNDER THE INFLUENCE OF DRUGS ☒ ENGAGED IN PHYSICAL RESISTANCE

☐ ARMED (PERCEIVED) ☐ UNDER THE INFLUENCE OF ALCOHOL ☒ OTHER ☐ NONE

EXPLAIN

Myself and other officers contacted the subject holding the traffic cone to simply take the cone away from the subject and tell the other subjects to leave the area. At this time a subject, later identified as, JONSSON III, came up to myself and Officer Holwege. JONSSON III was extremely close and walking towards us in a manor that alerted me - his chest appeared to be pumped up protruding forward, and he was walking at us with a purpose.

JONSSON III was told by myself and Officer Holwege to move back and to stop so we could continue to investigate the traffic cone, and move the larger group away from the area. JONSSON III refused to follow our commands. I told JONSSON III if he did not move back he would be arrested for IPO. JONSSON III continued to move forward towards myself and Officer Holwege.

At this time I had probable cause to arrest JONSSON for ORS 162.247 Interfering with a peace officer. I told JONSSON he was under arrest. I placed both hands on JONSSON III arms to place him into custody, at this time JONSSON III pulled away from me and attempted to leave with physical resistance.

CASE # 2020-680654 | OFFICER TERRETT | DPSST 58225 | ☐ AMENDED

EXPLAIN

I believe JONSSON III's lack of compliance, and disregard to follow lawful orders, was an intentional act to be disobedient and antagonistic towards the Portland Police Bureau. JONSSON III was given multiple lawful orders from a Police officer to stop and to move back. JONSSON III intentionally ignored the lawful order and chose to walk closer towards myself and other Officers.

DE-ESCALATION TECHNIQUES

YES DE-ESCALATION TECHNIQUES WERE ATTEMPTED OR USED?

EXPLAIN WHY NO DE-ESCALATION TECHNIQUES WERE USED/ATTEMPTED OR DESCRIBE TECHNIQUES USED/ATTEMPTED

This incident occurred multiple hours into the protest. Multiple officers were on-scene. The crowd was given over an hour to respond and given instructions where to go to leave the area. Multiple warnings over the loud speaker were given advising the crowd that their gathering was a civil disturbance and unlawful.

I also heard Officer Masunari verbally provide JONSSON III a force warning.

USE OF FORCE WAS NECESSARY TO

- ☒ PREVENT OR TERMINATE THE COMMISSION OF AN OFFENSE.
- ☒ LAWFULLY TAKE A PERSON INTO CUSTODY, MAKE AN ARREST, OR PREVENT AN ESCAPE.
- ☐ PREVENT A SUICIDE OR SERIOUS SELF-INFLICTED INJURY.
- ☒ DEFEND THE MEMBER OR OTHER PERSON FROM THE USE OF PHYSICAL FORCE.
- ☐ ACCOMPLISH SOME OFFICIAL PURPOSE OR DUTY THAT IS AUTHORIZED BY LAW OR JUDICIAL DECREE.

CHRONOLOGICAL USE OF FORCE

	RESISTANCE	WARNING	FORCE	TARGET LOCATION	RESISTANCE CONTINUED	RE-EVALUATE
+ / -	PHYSICAL RESIST	YES	TAKE DOWN	LEFT ARM	NO, EXPLAIN	NO

DESCRIBE THIS USE OF FORCE:

JONSSON III escaped my grip and control. As he escaped my grip he also swiped his arm towards and across my body as if he was attempting to punch or make contact with me. I was able to catch up with him. Officer Masunari also ran after JONSSON III and was able to make contact with him, maintain a firm control hold, and take him to the ground. At this time I was also in contact with JONSSON III and assisted with taking him to the ground safely. I believe my main point of contact with JONSSON III at that time was approximately holding onto his left arm.

JONSSON III landed on his hands, chest, and knees. At this time myself and Officer MASUNARI placed JONSSON III into custody by rolling him onto his side. Utilizing this technique, as taught at the training division in Control Tactics, we were able to maintain control of JONSSON III and safely place him into custody without further issue to himself or other Officers.
