EXPLAIN

On this date I was assigned to the East Precinct mobile field force assisting protest operations in the downtown core area. Towards the end of our shift ,the crowd of protesters who were still in the area began committing crimes such as criminal mischief, interfering with a peace officer, and disorderly conduct. The protesters' assembly was declared an "unlawful assembly" by the incident commander, and as a mobile field force we were tasked with making arrests of those who were committing crimes and refusing to leave the area.

A subject, later identified as Brandon Lee Sanchez, climbed over the fence and walked up and down SW 3rd between Main and Madison. Sanchez was given multiple warnings by Portland Police Bureau's soundtrack to get back on the other side of the fence.

EXPLAIN WHY NO DE-ESCALATION TECHNIQUES WERE USED/ATTEMPTED OR DESCRIBE TECHNIQUES USED/ATTEMPTED

There were multiple officers with me in this area, consisting of an RRT squad, as well as my mobile field force. The sound truck in the immediate area gave multiple clear lawful orders for all demonstrators to not climb the fence or throw projectile over the fence. All personnel were given the opportunity to obey these lawful orders. These lawful orders were given from a safe distance and position as we were not right next to the protesters. Also, throughout the evening, our "demonstration liaison officers" attempted to make contact with crowds multiple times to deescalate and keep the demonstrations entirely peaceful.

USE OF FORCE WAS NECESSARY TO

- ☒ DEFEND THE MEMBER OR OTHER PERSON FROM THE USE OF PHYSICAL FORCE.

CHRONOLOGICAL USE OF FORCE

	RESISTANCE	WARNING	FORCE	TARGET LOCATION	RESISTANCE CONTINUED	RE-EVALUATE
+ / -	PHYSICAL RESIST	YES	CONTROLLED TAKE DOWN	TORSO	YES	YES

DESCRIBE THIS USE OF FORCE:

After several force warnings and lawful orders were issued to the Sanchez via the clearly audible sound truck and officers' verbal commands to climb back over the fence or he would be subject to force and arrest. Sanchez ignored all the warnings given and continued to remain on the east side of the fence. Afternoon C shift Mobile Field Force was given the task to take Sanchez into custody. We loaded two vehicles with 6 officers and contacted Sanchez next to the fence line. Sanchez saw our vehicles and attempted to climb back over the fence. Part of the wire fencing caught Sanchez's shirt which prevented his escape. Sanchez was in the process of stepping down and running away when I took him to the ground. I grabbed Sanchez by the shoulders and used my weight and momentum to pull him to the ground. Sanchez made a short attempt to get up but was unsuccessful. I grabbed Sanchez's left hand to handcuff him but he resisted by attempting to hide his hand under his stomach. Due to the hostility of the crowd and the multiple projectiles being thrown, we were unable to safely handcuff Sanchez. I pulled Sanchez up to his feet and loaded him in the back of the police car. I jumped in the back of the marked police car with Sanchez and controlled his hands while Officer Woods quickly drove the vehicle back to the front of the justice center. I assisted Sanchez out of the vehicle and placed him in handcuffs. No additional force was used.

YES WHEN THE RESISTANCE DECREASED, I REDUCED MY AMOUNT OF FORCE TO A LEVEL REASONABLY CALCULATED TO MAINTAIN CONTROL.
