EXPLAIN

I was deployed as part of the Rapid Response Team (RRT) to protect the occupants and structure of Multnomah County Justice Center/ Central Precinct. A large crowd of up to 150 were demonstrating near SW Third Avenue and SW Main Street. This crowd had been dispersed earlier for their violent behavior that lead the Incident Commander to declare a riot. We returned to this location to disperse the crowd again since they were blocking traffic in streets and attempting again to vandalized property as well as injure officers with projectiles and commercial grade fireworks that can be inflict serious physical injury. This violent behavior displayed by the crowd had been a pattern for the past month as police attempted to protect themselves, civilians, and property. The sound truck gave multiple warnings to the crowd to leave the area. The crowd was given ample time to disperse on their own but refused to do so.

EXPLAIN

At approximately 0120 hours, my RRT Squad was ordered to deploy to SW Third Avenue and SW Main Street as part of a coordinated effort to disperse the crowd/riot that refused to leave on their own. We formed a line formation and proceeded west on SW Main Street. This crowd comprised of violent people who threw bottles and mortars at police, and damaged property.

EXPLAIN

There was a crowd of approximately 150 people on SW Third Avenue and in Lownsdale Square refusing orders to disperse. They taunted officers with bodily harm, threw rocks, and pointed lasers at our eyes. As my squad moved west on SW Main Street and through Lownsdale Square, many in the crowd closest to officers, faced officers and moved slowly as we approached. My squad remained in a line formation with the order to move them west across SW Fourth Avenue. We continued westbound on SW Main Street. The crowd moved slowly to the west. They threw rocks, bottles and pointed green lasers at officer's eyes. They blocked traffic by remaining in the street. A series of dynamic movements were ordered by our lieutenant in order to hasten the crowds dispersal. A dynamic movement is when the RRT squad, on command, runs in unison toward the crowd so they disperse/move with a purpose out of the area. As our squad reached SW 6th Avenue, the crowd stopped and yelled obscenities at officers. They threw bottles and continued with laser lights pointed in officers eyes. There were several adult males in their twenties wearing black and wearing goggles standing directly in front of me on SW Main Street. They refused orders to leave the area to the west on their own. A dynamic movement was given to the squad.

The crowd was admonished by the sound truck to stop their violent behavior. The crowd was told to leave the area and warned that if they did not leave, they would be subject to arrest and or force, including crowd control munitions. They did not leave although ample time was given for the crowd to leave on their own. My Air Purifying Respirator is equipped with an amplified speaker. I told members of the crowd to leave the area and move to the west toward SW Broadway.
