After the initial push from Delta passed us on E Burnside, I observed an officer attempt to make an arrest. He did not listen to my commands during this contact.

After the initial push of the unknown male he held his ground and flexed his chest. He stepped towards me again and I shoved him in the torso causing him to fall to the ground. When I attempted to arrest him, I was met with 3 other people who dragged him away from the scene as they headed South on SE 45th.

The sound truck gave repeated use of force warnings as described in the 'De-escalation Techniques' section of this report.

DESCRIBE THIS USE OF FORCE:

As I proceeded south onto SE 45th street I observed a commercial grade firework explode under an officers feet and then fly into a persons front yard. I overheard an officer yell out that he saw the male who lit and threw the firework. They approached him and arrested him. During the process of the arrest I observed another female interfering with that custody. I then told her to back up. When she did not comply I pushed her back and provided cover so the officers could arrest the individual. No additional force was used as I provided cover for the arresting officers.

DESCRIBE WHY OTHER FORCE OPTIONS WERE REASONABLY CONSIDERED BUT NOT USED:

The scene was very chaotic and hectic. Given the space and the hostility of the crowd, my pushes were not effective unless I used my baton to push back the crowd. I don't carry pepper and I am not a grenadier.

GENERAL DESCRIPTION OF THE FORCE YOU OBSERVED OTHER OFFICERS USE:

I observed Officer Kelly perform a take down to the individual who lit and threw the firework. I also observed other officers push the protesters in the same demeanor I did but could not identify. The scene like I said prior was very hostile and disobedient.

☒ WITNESSES WERE LOCATED BUT THEY REFUSED TO GIVE THEIR CONTACT INFORMATION AND A DESCRIPTION OF THEM IS IN THE SECTION BELOW.

WITNESS INFORMATION: NAME OR DESCRIPTION (IF NAME REFUSED) AND MEMBER WHO LOCATED:

There were cameras all around and being filmed by various protesters. All of the subjects left the area before I could contact them. Additionally it would have presented a safety issue for me to stop and try and locate/interview witnesses since this was a crowd control event with hostile anti-police participants.
