DESCRIBE THIS USE OF FORCE:

An unlawful assembly was declared during a protest at East Precinct. Rioters were told to move to the north, away from East Precinct and towards Washington St. They were warned by the sound truck that force may be used against them. Officers attempted to take an unknown subject into custody, south of SE Washington St, on the west side of the street. Kitchen attempted to push through Officers to get to the custody location to interfere. Officer Woods pushed Kitchen away, but Kitchen came back towards Officers Woods, grabbed his vest, and swung his arms wildly in an attempt to injure Officer Woods. I attempted to grab onto Kitchen to assist Officer Woods but Kitchen was too wild and I wasn't able to get a grasp on him. As Officer Woods continued to struggle with Kitchen I stepped back and deployed one 40mm round, striking Kitchen on his right thigh. After this Officer Woods took kitchen to the ground and he was taken into custody. Had I not deployed a 40mm round Kitchen would have continued to fight, which would surely have resulted greater injuries to Kitchen himself, as well as Officers. Officer Woods' glasses were knocked off of his face during this incident. I did not announce to fellow members of my intent to use a less lethal munition because it was not feasible to do so without risking injury to Officer Woods. Any delay in the deployment of this munition would have been detrimental to Officer Woods.

NO — WHEN THE RESISTANCE DECREASED, I REDUCED MY AMOUNT OF FORCE TO A LEVEL REASONABLY CALCULATED TO MAINTAIN CONTROL.

DESCRIBE WHY OTHER FORCE OPTIONS WERE REASONABLY CONSIDERED BUT NOT USED:

Nothing else was considered. I was assigned as a linebacker with a less lethal 40mm launcher as my tool.

GENERAL DESCRIPTION OF THE FORCE YOU OBSERVED OTHER OFFICERS USE:

I witnessed Officer Woods push Kitchen and take him to the ground.
