DESCRIBE THIS USE OF FORCE:

On 8/25/2020 I was working as a Portland Police Officer assigned to the Rapid Response Team- Charlie squad. Our team was deployed to the area of City Hall due to a gathering of about 200 people. Members of this crowd began to break windows and shatter glass doors of city hall; soon after the gathering was declared a riot.

While standing on a crowd control line at the intersection of SW 4th and Jefferson St, Sgt Oliphant came up to me and told me he had p/c to arrest the subject for shining lasers at officers. Sgt. Oliphant told me he wanted me to be apart for the arrest team. Sgt. Oilphant told me whenever we're ready attempt to take the subject into custody.

The subject then randomly walked from across the street and approached our crowd line. He now was maybe 10 yards away and much closer. Myself and Multnomah County Sheriff Deputy Sieczkowski then walked up to him and told him he was under arrest. Before we could get to him the subject turned to run. The subject ran maybe 5 yards. Deputy Sieczkowski reached him first and went to the ground with him. I ran up to assist. Once I reached them they where on the ground and subject was on his back. I could see the subject trying to break free from the deputy. I could tell he was resisting arrest. I helped roll the subject over onto his stomach. We then placed his hands behind his back and I cuffed them both with flex cuffs.

The subject was walked over to Formal Arrest Team.

YES — WHEN THE RESISTANCE DECREASED, I REDUCED MY AMOUNT OF FORCE TO A LEVEL REASONABLY CALCULATED TO MAINTAIN CONTROL.

DESCRIBE WHY OTHER FORCE OPTIONS WERE REASONABLY CONSIDERED BUT NOT USED:

We needed to take the subject into custody so hands on was the only approach.

GENERAL DESCRIPTION OF THE FORCE YOU OBSERVED OTHER OFFICERS USE:

Take down with hands.
