EXPLAIN

August 25th was a continuation of demonstrations and protests from May 29, 2020. RRT Charlie Squad was activated to respond to potential protests regarding the Minneapolis Riots and death of George Floyd. I was assigned as the Squad Leader of Charlie Squad. There were several hundred protesters that gathered at Shemanski Square, eventually marching to City Hall. Once arriving at City Hall, members of the crowd began attempting to breach the building and causing significant property damage inside. A little while later, an attempt to start a the building on fire near the bell was interrupted. This behavior to a riot declaration being announced.

As a squad leader, I carry hand toss munitions, such as OC Vapor, CS Gas, and Rubberball distraction devices. My role as a squad leader is to maneuver my squad and achieve the CMIC's operational objectives while taking appropriate action to prevent widespread chaos, protect life and prevent injuries.

The sound truck advised demonstrators to leave the area and warned that force would be used. There were numerous officers on scene. Officers were staged out of sight of the protesters as an attempt to deescalate, which was also ineffective.

CHRONOLOGICAL USE OF FORCE

DESCRIBE THIS USE OF FORCE:

RRT squads C, F, and G had taken several custodies near SW 4th/SW Jefferson. While these custodies were being processes by the Field Arrest Team, I observed Anderson in the road attempting to walk to where the officers were standing with custodies. I did not know what her intent was, so I approached her and ordered he to get onto the sidewalk. When she did not comply, I physically guided her to the sidewalk with minimal resistance. I did not intent to take Anderson into custody but was rather ensuring a safe place for officers to work.

The soundtruck had been providing nearly continuous warnings that individuals were subject to arrest and the use of force.

CASE # 2020-681389 | OFFICER Damerville | DPSST 51797 | ☐ AMENDED

As I turned to walk away, Anderson grabbed my duty belt near my gun. I order her to let go which she did not comply. At this point, I grabbed Anderson by her hair and attempted to pull her away from my gun and duty belt which was not successful. Despite me pulling her away she maintained a grip on my belt, possibly by my belt suspenders. After several orders to let go of me, and concerned she could have accessed my pistol, I delivered 1 controlled strike to Anderson's face with my right knee. This caused Anderson to let go of my duty belt and I was able to get her to ground.

The sound truck was still providing warnings that force would be used.

	RESISTANCE	WARNING	FORCE	TARGET LOCATION	RESISTANCE CONTINUED	RE-EVALUATE
+ -	ACTIVE AGGRESS	YES	RESISTED HANDCUFFING	HANDS	YES	YES

DESCRIBE THIS USE OF FORCE:

Once on the ground, Anderson was repeatedly trying to get away from control and even tried kicking at officers as an attempt to avoid apprehension. When these attempts did not work, Anderson began rubbing her forehead on the ground, I am not sure what her intent was for doing this. I used her hair to keep her head off the pavement and to prevent additional abrasions to her forehead. Officer DeAnda, SGT Oliphant, and I had to over come physical resistance to get Anderson into handcuffs.

While getting Anderson into handcuffs, I heard someone shouting that SGT Oliphant had his knee on Anderson's neck. This was not the case, Sgt Oliphant's gas mask bag was near Anderson's neck/shoulder area but no weight was applied.

YES — WHEN THE RESISTANCE DECREASED, I REDUCED MY AMOUNT OF FORCE TO A LEVEL REASONABLY CALCULATED TO MAINTAIN CONTROL.

DESCRIBE WHY OTHER FORCE OPTIONS WERE REASONABLY CONSIDERED BUT NOT USED:

Due to the distance between the crowd and myself other force options were not reasonable to stop the active aggression of crowd members. Given the specifics of each munition deployment, the decision of which tool to used was based on the size of the crowd that needed to be dispersed or stopped from aggressive behavior. Given the sheer number of times, Charlie squad was met with a crowd that showed extremely aggressive behavior it is possible that some uses of force are not remembered. Force I chose to use was an attempt to use the minimal force necessary to prevent active aggression and overcome physical resistance.

GENERAL DESCRIPTION OF THE FORCE YOU OBSERVED OTHER OFFICERS USE:

Officer DeAnda and SGT Oliphant assisted with getting Cole into handcuffs and had to overcome physical resistance.
