EXPLAIN

I was deployed with with RRT Echo Squad to address protest related activity near the Justice Center. The crowd became increasingly volatile and was blocking vehicular traffic on SW 3rd Ave. Incident command deployed RRT and MFF resources to move in to address the crowd. and take custodies As RRT addressed the crowd, I saw projectiles thrown at officers. The event was later labeled an unlawful assembly. The crowd resisted officers efforts to disperse and continued to stay in the area near the Justice Center resulting in officers taking further custodies.

EXPLAIN

The crowd had begun protesting at the Justice Center and was standing in the street, blocking vehicular traffic. Announcements were made to the crowd to get back onto the sidewalk or they would be subjected to citation or arrest. Each member of the crowd heard the announcements to disperse, including hearing the force warnings, and thus subjected them to potential arrest. RRT was able to push the crowd west into Chapman Park at which time RRT formed a hard line facing west into the crowd. I observed some members of the crowd throw projectiles at officers including full beer cans. While standing on the RRT line on 3rd Ave facing west, DOE stepped into the street and started walking towards myself and Ofc Sanders. Ofc Sanders and I made contact with DOE and subsequently told him to go back onto the sidewalk which DOE refused.

EXPLAIN

The large group of protesters had already engaged in the above listed criminal actions, and had been told to exit the street so vehicles could use the street for travel. There was time, opportunity, and avenues of escape readily available for the people making up the crowd to leave. They did not disperse, and instead continued engaging in criminal activity by blocking the street. People within the crowd threw projectiles at officers, including full beer cans. DOE was observed walking into the middle of the street and refused to go back onto the sidewalk, thus subjecting DOE to citation, arrest and/or use of force.

EXPLAIN

The large group of protesters had already engaged in multiple criminal actions, and had been told to discontinue blocking the street so that vehicles could use the street. They did not disperse, and instead threw projectiles at officers. At the point of the push for dispersal and custody event, multiple force warnings had been issued, giving people in the crowd plenty of opportunity to leave the area and avoid any contact with police. The crowd was pushed out of the area and continuously returned to the Justice Center in an attempt to

Prior to Deploying RRT and MFF, officers remained out of sight from the protest group to allow them their right to sound frustrations near the Justice Center. The crowd did not protest peacefully and stood in the middle of 3rd Ave, thus preventing vehicle traffic. The sound truck made multiple announcements for the crowd to exit the street. The sound truck gave force warnings with these instructions. I observed multiple officers give verbal force warnings. DOE was deemed to be a person in this crowd that had opportunity to leave the area. Instead, DOE walked back into the middle of the street and refused to go back onto the sidewalk.

CHRONOLOGICAL USE OF FORCE

	RESISTANCE	WARNING	FORCE	TARGET LOCATION	RESISTANCE CONTINUED	RE-EVALUATE
+ -	PHYSICAL RESIST	YES	CONTROL AGAINST RESISTANCE	LEFT ARM	YES	YES

DESCRIBE THIS USE OF FORCE:

Prior to having any contact with the crowd on this push, the sound truck announced multiple times that the crowd needed to exit the street so vehicle traffic could flow. Force warnings were included with these announcements.
Per operational orders I was deployed with Echo squad to move the crowd out of the middle of SW 3rd avenue and to take custodies.
While standing on a RRT line on SW 3rd Ave facing west into the crowd, I observed DOE start walking into the middle of the street towards officers. Ofc Sanders and I contacted DOE at this time. I grabbed onto DOE's left arm in order to gain control of DOE. DOE immediately began flexing his arms and attempted to pull away. In order to maintain control of DOE, I pulled on DOE's left arm and held it into a locked position at DOE's side. I utilized wrist control at this time as DOE struggled to pull free from my hold.
Ofc Sanders and I asked DOE what he was doing and told him to get back onto the sidewalk at which time DOE refused.
Ofc Schaaf arrived to assist and gave further force warnings. Ofc Schaff asked DOE to get back onto the sidewalk several times to which DOE responded with something like "fuck you."
Ofc Schaaf initiated a take down and said out loud that he would "take the legs." Ofc Schaaf performed a take down by grabbing onto DOE's legs. Ofc Sanders and I continued to control DOE's arms. All three officers were able to get DOE onto the ground in a controlled manner.

DESCRIBE THIS USE OF FORCE:

Prior to having any contact with the crowd on this push, the sound truck announced multiple times that the crowd needed to exit the street so vehicle traffic could flow. Force warnings were included with these announcements.
After DOE was taken to the ground in a controlled manner, DOE landed on his stomach. DOE immediately pulled both of his arms underneath his body in an attempt to resist control. Ofc Bartlett arrived and assisted by segmenting on DOE's head. Ofc Sanders was able to get DOE's right arm behind his back for proper handcuffing position. Ofc Schaaf held onto DOE's legs.
In order to get DOE's arms into position for handcuffing, I grabbed DOE's left arm with my arms and pulled upwards, releasing DOE's arm from underneath DOE's body. At this time I was able to place DOE's left arm behind his back and DOE was placed into custody.

YES — WHEN THE RESISTANCE DECREASED, I REDUCED MY AMOUNT OF FORCE TO A LEVEL REASONABLY CALCULATED TO MAINTAIN CONTROL.

DESCRIBE WHY OTHER FORCE OPTIONS WERE REASONABLY CONSIDERED BUT NOT USED:

I considered using my baton and/or pepper spray but did not have the reasonable time and opportunity to do so.

GENERAL DESCRIPTION OF THE FORCE YOU OBSERVED OTHER OFFICERS USE:

I observed Ofc Schaaf use a take down on DOE. I observed Ofc Sanders use control resistance and/or resisted handcuffing. I observed Ofc Bartlett segment on DOE's head.
