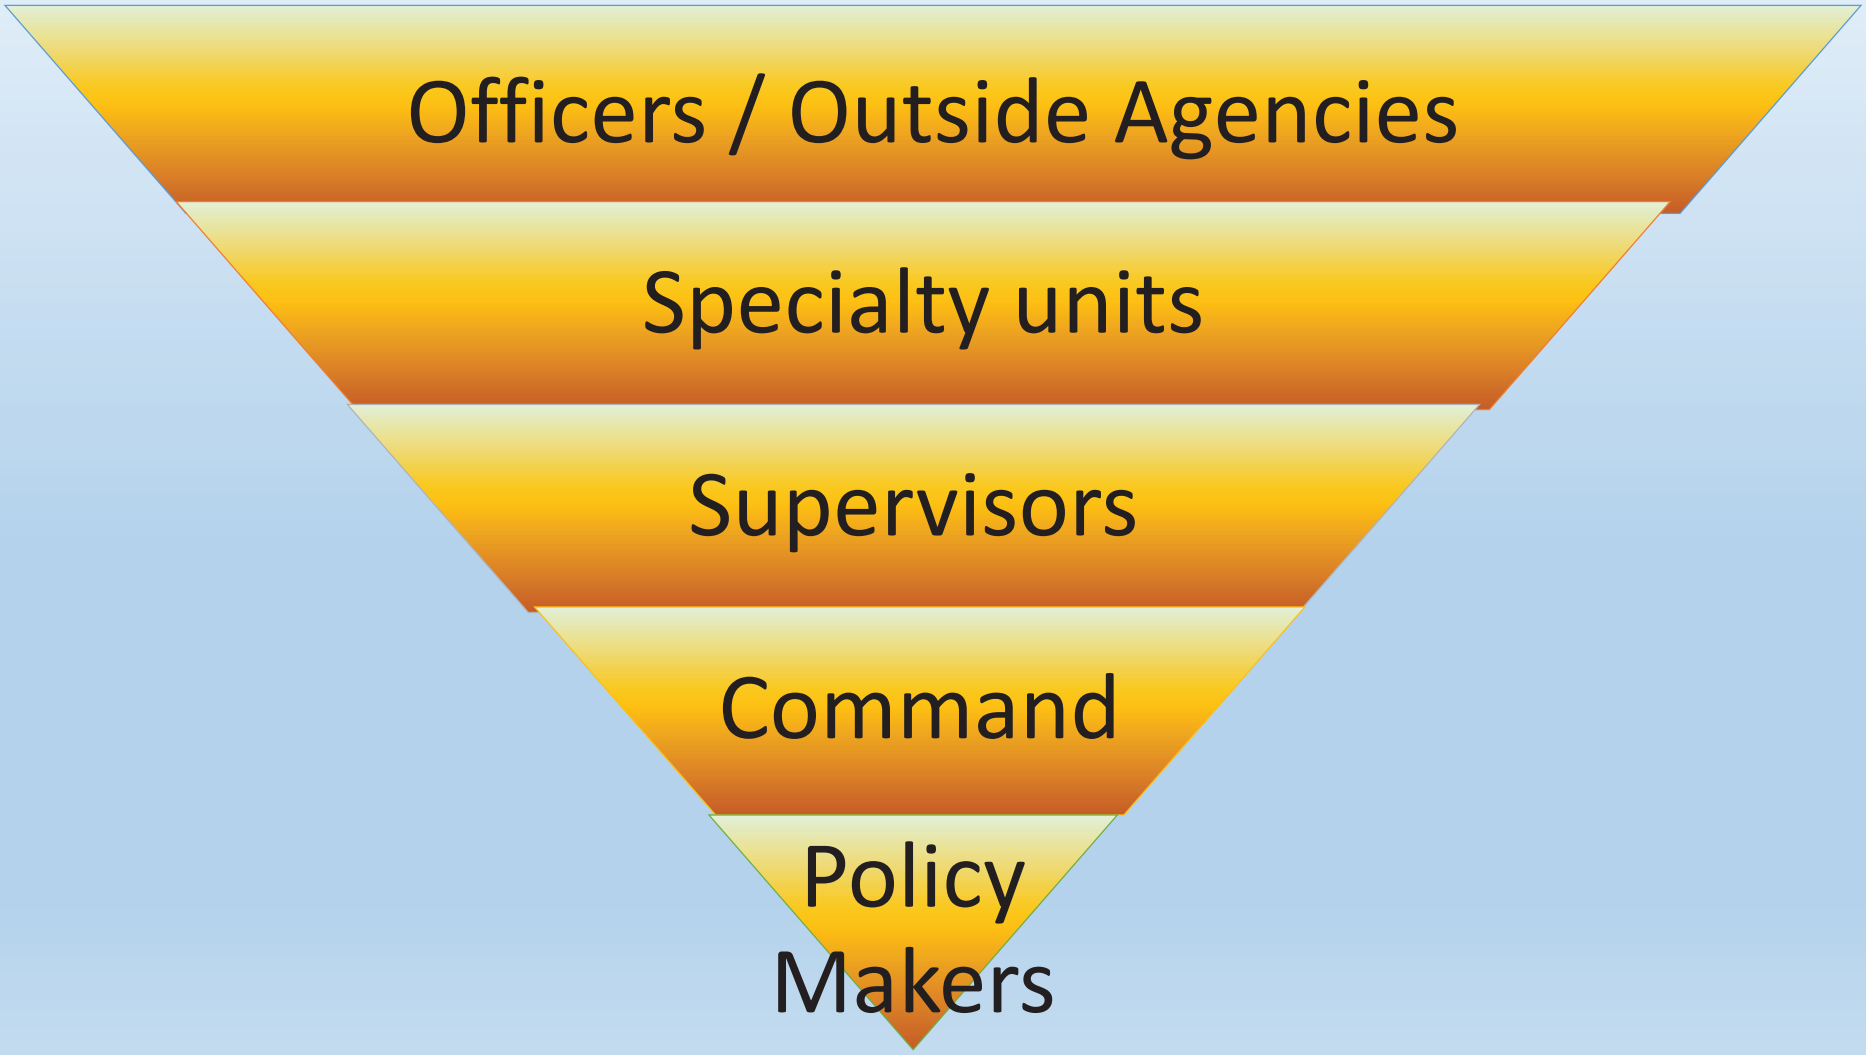
- **Excellence –**
- **Service -**

Training

Who needs to be trained?



Training on what?

- Department philosophies and objectives
- Constitutional law (1st, 2nd, 4th, 8th, 14th)
- Local Laws and Ordinances
- PPE and other Equipment
- Police tactics and maneuvers
- Latest protest tactics and trends
- Updates on best practices

Teams that find themselves continually operating in a crisis management mode need to break out of the cycle with better prioritization, effective delegation and dedicated time for planning.
