SUBJECT
RRT /PROTEST

I was assigned to RRT on Charlie squad as a grenadier for the protest. The protest was declared an unlawful assembly/ riot. The sound truck gave numerous warnings about not throwing projectiles and not tampering with the fence. The sound truck also gave numerous force warnings, and advised people who wanted a peaceful protest to leave due to circumstances elevating. There were reports over the radio that the protesters were launching projectiles all the way from west of the intersection of SW 3rd/SW Main to the intersection of SW 2nd/SW Main. Officers were advised to move to positions of cover.

Around midnight Charlie squad was tasked with helping clear the parks moving from the south to north. I could see people in the crowd throwing projectiles towards the justice center. The sound truck was giving the protesters directions to leave to the west. Charlie squad moved north through Terry Shrunk Plaza. I launched two smoke munitions near SW 3rd/ SW Madison towards the park. The crowd was moving west on SW main.

The crowd continued with lasers and projectiles. I launched 1 smoke munition near SW 4th/ SW main. The crowd continued westbound on Main. I launched 1 smoke munition near SW 5th/ SW Main and 1 smoke munition near SW 6th/ SW Main. I could see protesters picking up the smoke munitions and throwing them back at police lines. The crowd split at SW 6th/ SW Main heading in two directions. Charlie squad assisted with making arrests in the downtown area.

Narrative:

On 06/07/2020, the above listed personnel were assigned to Sound Truck 1 (ST1) in support of the police response to the continuing Floyd protest. ST1 worked in conjunction with Sound Truck 2 (LT Hettman, OFC J. Brainard, OFC J. Hubert and OFC J. Richardson) during this event. The times used in this report are estimated times based on my watch. During every announcement the Sound Truck was parked in a position angled to ensure the speaker was directed at a specific group and

within a distance of its sound projection capabilities. ST1 made about seventy one (71) announcements during this operational period, primarily addressing protester actions around the closed area of SW 1st to SW 4th Av and SW Salmon St to SW Jefferson St and to disperse groups causing a civil disturbance in the downtown area.

ST1 Reported to CE at about 1800hrs.

By 2000hrs, a large demonstration gathered on the west side of the Justice Center outside of the fenced area. ST1 positioned at SW 3rd Av/Madison, facing west, and remained here for about four hours.

Around 2203hrs, ST1 made the following announcement: "Please do not tamper with or climb on the fence. We have no intent to engage the crowd. Please stay peaceful." This announcement was made two times within about two minutes. The crowd responded by yelling louder.

Around 2211hrs, ST1 made the following announcement: "Do not tamper with the fence in any way. If you do, you will be subject to arrest and use of force, to include crowd control munitions." This same announcement was given again at 2217hrs. The crowd stopped shaking the fence in response to this announcement.

Around 2218hrs, ST1 made the following announcement: "There is criminal activity occurring in this crowd if you are a non-violent demonstrator we are asking you to leave now." This announcement was made five times within about twelve minutes. The crowd responded by yelling back "fuck you" and yelling louder.

Around 2244hrs, ST1 made the following announcement: "Do not tamper with the fence in any way. If you do, you will be subject to arrest and use of force, to include crowd control munitions." This announcement was given again at 2257hrs. The crowd stopped shaking the fence in response to this announcement.

Around 2302hrs, ST1 made the following announcement: "There is criminal activity occurring in this crowd if you are a non-violent demonstrator we are asking you to leave now." This same announcement was given twice within the minute.

Around 2326hrs, ST1 made the following announcement: "Do not tamper with the fence in any way. If you do, you will be subject to arrest and use of force, to include crowd control munitions."

Around 2333hrs, ST1 made the following announcement: "This is the Portland Police Bureau. Do not tamper or climb the fence. Do not throw projectiles or other items at or over the fence. If you do, you will be subject to arrest or force."

Around 2339hrs, ST1 made the following announcement: "There is criminal activity occurring in this crowd if you are a non-violent demonstrator we are asking you to leave now." This announcement was made five times within about two minutes. The crowd responded by yelling "peaceful protest."

Around 2342hrs, ST1 made the following announcement: "This is the Portland Police Bureau. This is a civil disturbance and we have declared an unlawful assembly. SW Natio to 405 Hwy and SW Lincoln to W Burnside is closed. Leave now or you will be subject to arrest and or use of force, to include crowd control munitions."

Around 2342hrs, ST1 made the following announcement: "This is the Portland Police Bureau. This is a civil disturbance and we have declared an unlawful assembly. SW Natio to 14th Ave and SW Lincoln to W Burnside is closed. Leave now or you will be subject to arrest and or use of force, to include crowd control munitions."

Around 2347hrs, ST1 made the following announcement: "This is an unlawful assembly. Leave Downtown Portland to the west." This announcement was made fourteen times within about ten minutes. The crowd within our eye sight at the SW Madison end of the fence line slowly started to head out of the area when these announcements were made.

Around 0000hrs (06/08/2020), ST1 went mobile outside the fenced in area to facilitate RRT and MFF teams addressing groups refusing to disperse and leave the closed area downtown. ST1 gave the following announcement to support this assignment: "This is an unlawful assembly. Leave Downtown to the west to 14th Ave." ST1 made this announcement at the following locations:

0004 SW 4th/Taylor (2) times

0005 SW 5th/Morrison (2) times

0005 SW 5th/Yamhill

0006 SW 5th/Taylor

CHARLIE SQUAD REPORT

On 6/5/20, Charlie squad assisted with clearing Lawnsdale and Chapman Square parks after a civil disturbance and unlawful assembly had been established. Charlie squad started on SW Jefferson and began clearing the park to the North. Charlie Squad turned west bound on SW 4th Ave. There were several uses of force by Charlie squad during this initial clearance of the park. After getting this group mostly dispersed we transition to mobile dispersal by showing mere presence and affecting arrest for probable cause to continue dispersing the crowd.

SUBJECT
INFORMATION RELATED TO PROTEST

I was assigned as Mobile Field Force Command for the 24-hour operational period 6/7/20-6/8/20 (0700 to 0700). As such, I had 12 Mobile Field Forces assigned to me, four each from each precinct and shift. I operated in conjunction with RRT Commander Stainbrook, who coordinated RRT assets for the event.

At approximately 2341, US Marshal unit number 6519 updated dispatch that a Fiat was in front of the Federal Courthouse just north of the Justice Center on 3rd avenue. The Fiat was marked "food" and he reported that was "where people getting objects to hurl". After this update, there were numerous projectiles thrown over the fence line into our inner perimeter area to include frozen water bottles and rocks.

After the dispersal order was given and while on patrol in the downtown core area, I noted a dark-colored Fiat that was occupied by numerous individuals, with what appeared to be duct tape covering the sides labeled "Food" passed by me as I was driving north on 10th Avenue at SW Columbia. I followed the vehicle and it entered the secured parking garage at 1415 SW Park Avenue. This is a secure, multi-unit apartment building. The vehicle bore Washington License Plate BNC4805, which returned Redacted. The only related RegJIN history involved a car prowl reported by Mr. Mobley (CN #20-97134).

No further information at this time.

SUBJECT
40MM DEPLOYED

On June 7th, 2020 I was assigned to North Precinct's A-shift Mobile Field Force.

At approximately 2100hrs, I was assigned to inner perimeter security along the fence line near the intersection of SW 3rd & Main St. I am certified with the 40mm Less Lethal launcher and was carrying it at that time as part of this assignment.

While at my post, I observed a large number of projectiles thrown from the angry mob from the opposite side of the fence from my position. Shortly after several items capable of causing serious bodily harm were thrown at officers, I observed that the sound truck made several admonishments to cease and desist throwing items.

At approximately 2245hrs, I observed a white male wearing multi-colored clothing with a long dark beard (or possibly a facemask) attempt to throw an object over the fence from the front row of the crowd. At that time, I was approximately 100-125ft away from the fence line. I saw that the object struck the inside of the fence and landed at the subject's feet. The suspect proceeded to pick the item up and attempt to throw the object again. Based on the initial impact of the object on the fence and the apparent effort the subject took to throw it, I reasonably believed that it was capable of causing serious physical harm to the intended target.

As the subject raised the object over his head and prepared to throw the object, I deployed my 40mm Less Lethal launcher at the base of the fence line in an attempt to deter the suspect from throwing the object. I observed that the sponge round impacted the ground approximately 20-30ft. short of the fence line. I observed that the suspect appeared to react to the sound of the 40mm deployment and that this appeared to deter him from throwing the object.

Nothing further.

RRT SMOKE DEPLOYMENT

On Saturday 06/06/2020 at approximately 2330-0000 hours, I was assigned to the Rapid Response Team on Charlie Squad. I was in full uniform that was black in color with my badge and Police markings displayed on my load bearing vest. This was the 9th day of protests to include riotous activity related to the death of George Floyd while in Police custody in Minneapolis, MN. Our entire team, specially trained in crowd control management, was initially activated for the demonstrations on the evening of Friday 05/29/2020.

Our squad was in the area of SW 3rd Ave / SW Salmon St to support the dispersement orders which had been broadcasted several times over the sound truck speaker. The protesters were advised the gathering was declared an unlawful assembly and they needed to leave from the area from SW Lincoln St to Burnside St and Naito Pkwy to SW 13th Ave. This announcement was audible, articulable, clear and could be easily understood from more than one block away.

I am certified as a grenadier for the Rapid Response Team. On my load bearing vest, I carried several munitions that are deployed via hand toss based on the conditions observed in the crowd. The hand tossed munitions are used for crowd dispersal, aerial of denial, and other instances, as appropriate. I was also carrying an FN303, loaded with pava rounds, which I have been certified to carry and operate.

I deployed one triple chaser smoke hand toss munition at the southwest corner of Lownsdale Square at SW 3rd Ave / SW Salmon St to continue to disperse and encourage movement out of the area per the sound truck orders. The munition landed on the sidewalk on the west side of the street and did not contact any individual(s). It was approximately 10 feet from anyone around it.

As our squad continued to move southbound and approached Chapman Square, multiple subjects still remained in this park. Protesters were refusing to move or wanted to turn around and engage Police. Everyone had already been advised to clear the area due to the unlawful assembly. I deployed one pocket sized tactical hand toss munition on the diagonal sidewalk in Chapman Square. The munition did not contact any individual(s) and was approximately 10-15 feet from anyone around it.

Any other force was documented appropriately on an FDCR.

Nothing further at this time.

OPS CHIEF REPORT FOR PROTEST

On 060720 I was assigned as the Operations Chief for a planned protest. At about 1800 a group of about 5000 protesters marched from Revolution Hall to Irving Park in NE Portland. This group march in the street, but was peaceful, and we had no incidents from this group throughout the evening.

A second group of people was near the Justice Center, and they started gathering around 1900. Some of the faith leaders from the area went into the crowd for about an hour, and spoke with them. After the faith leaders left, the group became increasingly hostile. This group eventually grew to about 500 people in size.

There had been similar protests to this throughout the week prior, and in those previous days Officers had water bottles, rocks, explosives, fruit, etc. thrown at them while standing outside. Several Officers reported having lasers directed at their eyes. They also tried to push over the fence or shook the fence on multiple occasions.

Today the Officers stood a block away (At 2nd Ave., a block east of the crowd) to try to de-escalate the crowd. The crowd, as they had done in the days prior, threw multiple objects over the fence, were tampering with the fasteners of the fence, and pushing on the fence.

At 2155, we had the sound truck deliver messages telling people in the crowd to not push or tamper with the fence, and to stop throwing objects over the fence. This did not stop the crowd from their behavior. This announcement was repeated several times for the next 1.5 hours. During this time, MCSO deputies utilized multiple impact munitions to try to keep people back from the fence when it appeared they were trying to push it over.

At 2338, the IC (Capt. Passadore) declared an unlawful assembly. The sound trucks advised the crowd multiple times of the unlawful assembly, and told them to leave the area to the West. The group did not leave the area, but continued to throw objects, and push on the fence.

At 2354, the directed the dispersal to take place. I advised RRT Command to move ahead with the dispersal. Multiple RRT squads and MFF's worked in coordination to move the crowd to the west. Several custodies were taken during the dispersal.

After the dispersal, the crowd had dissipated, and Officers were returned to Central Precinct for de-mob.

See other related reports for more information.
