SUBJECT
VANDALISM AND THEFT

There was an unlawful assembly declared outside of NORTH PRECINCT in the early hours of 6/26/2020. As PPB dispersed the crowd throughout the morning, there were reports regarding local businesses vandalized and looted.

At approximately 0325 hrs, PPB began patrolling the surrounding area in vehicles.

We located damaged windows to clothing store TOP TO BOTTOM and the BANK OF AMERICA building on the other side of NE MLK BLVD.

TOP TO BOTTOM had at least 2 of its display windows (approximately 3'x6' broken) and entry was made. One of the backdrop segments to the display window was pushed back and access was made to what appeared to be a stock room for the location where shoes and clothing were stored. There were possibly 50 or more empty shoe boxes spilling out of the display window and on to the sidewalk and beyond. There were also articles of clothing left on the ground and display mannequins stripped. Some of the shelves of shoes appeared completely empty. At this time, there is no estimate to how much merchandise was actually taken until store employees can be contacted.

At BANK OF AMERICA, 2 of the 3 windows (approximately 8' x 10') on the north side of the building were shattered.

A board up service was requested for both locations.

We left the scene after board up service arrived.

Nothing further at this time.

VIDEO OF PROTEST/CIVIL DISTURBANCE

On 06/25/2020, Criminalist Johnson and I responded to North Precinct to assist them by taking video of the protest that turned into a civil disturbance outside of the precinct.

I took digital video from the roof of North Precinct and on the ground while the group was being dispersed. I transferred all related video from the protest to two (2) separate external hard drives. A copy of the video was delivered on a hard drive to the FED Photographic Reproduction Specialist for delivery to the designated Deputy City Attorney. The second copy was delivered to the lead PPB investigator and transfer of this material was recorded on PER #A148811.

USE OF SMOKE CANISTER

I deployed one smoke canister to supplement the dispersal of riot-control agents (RCAs) along the 400 block of NE Killingsworth St (Portland, OR 97211), on 06/26/2020 at ~0215 hours. The CMIC authorized the application of RCAs to end the life/safety threat of violent actors setting a fire against the north side of North Precinct after they barricaded multiple exits from the building. The use was, per my RRT grenadier training, to aid in the dispersal of CS and pyrotechnic OC particles.

PHOTO'S OF ARSON/GRAFFITI

On 06-26-20, I was sent to the North Precinct to assist with an Arson & vandalism investigation that was related to a protest.

I took digital overall, mid-range and close-up photo's of the damage to the street on NE MLK Blvd & NE Killingsworth after a fire had been set in the street. Several smaller fires had been set on the north side of the building, and they were captured in the photo's. A large amount of graffiti was seen on the west and south side of the building, and it was captured in the photo's.

I did not collect any evidence at the scene. The photo's were uploaded into the PPB DIMS computer for archiving.

On 06/25/2020 I was called to NE Precinct at MLK and Killingsworth by Sgt. Mawdsley to assist with documenting a civil disturbance. Criminalist Schleich was with me.

Upon arrival, from the roof of the precinct, I documented police protester interaction using a Go Pro digital video camera. Afterwards, Schleich and I documented damage, debris and graffiti in the area.

I gave my video card to Criminalist Schliech for downloading onto the two appropriate external hard drives.
