SUBJECT
PC FOR ARREST

Arrested: HESTER

Officers Mentioned: Middleton #56655

On Sunday August 9, 2020, I was assigned to Charlie Squad for the Portland Police Bureau's Rapid Response Team (RRT). RRT mainly specialized in crowd control. Charlie Squad was a "hard squad" who were officers with full personal protective equipment. Our squad was accompanied by an Oregon State Police squad and Mobile Field Forces. The protests started over two months ago based on the George Floyd incident but since, anarchists took over the social platform.

Daily, anarchists vandalized property by spray painting buildings, broke out glass windows, set fires, and assaulted people that did not have the same belief as them. They did not believe in the police system and wished it was completely gone. When police officers were present, they would target the officers with rocks, glass bottles, bottles filled with unknown liquids, balloons with unknown substances, projectile fireworks, and lasers. Majority of the protesters were dressed in all black. Some were armed with hand-made shields, wore gas masks, and hard helmets. Some had "A-C-A-B" which was short for "All Cops are Bastards."

Protesters mainly dressed in all black, armed with man-made shields blocked the streets of N Lombard between N Denver and N Fenwick. The street was supposed to be opened to vehicular traffic but they blocked with. They grabbed dumpsters from nearby businesses and started to light them on fire, near the Portland Police Association office. Incident Command declared the event an unlawful assembly at approximately 9:55 PM due to their criminal behavior. Our sound truck gave multiple warnings and told the protesters to disperse to the west.

Oregon State Police Troopers started to move the protesters west on N Lombard and we cut stayed to the south of N Lombard / N Denver to prevent them from going south. The crowd of protesters went north on N Denver from N Lombard. They threw two-inch rocks at officers, mortars that blew up on officers, full water bottles and more projectiles at us. Due to their increase of criminal behavior, the event was declared a riot.

RRT and Mobile Field Forces disengaged, and the event was still declared a riot due to their continuous behavior of criminal action. The sound truck still gave dozens of warnings, but it was clear the crowd did not want to disperse. At approximately 11 PM, RRT came back in the area to disperse the crowd. Multiple officers took custodies. I observed HESTER with a crowd of protesters that refused to leave. She held a microphone and a red Sponge Bob crowd. She spoke to the crowd and kept chanting "Your momma hates you" and said we needed to die because we were police. It was clear that officers told her to disperse but she refused. It should be noted that she was not marked "Press" or "ACLU." She has

been out at the protests most nights and would refuse to disperse. HESTER would always remain in the middle of the roadway and blocked vehicular traffic.

Officer Middleton was busy with his custody, but he told me that he had Probable Cause for her arrest. When I had my opportunity, I approached HESTER and told her she was under arrest. I escorted her back to the RRT van and placed her in flex cuffs without resistance. I searched her person and found no items of value. Once Field Arrest Team arrived, I transferred custody to them. I told them I had Probable Cause for Interfering with a Police Officer and Officer Middleton had Probable Cause for Riot.

Nothing further.

SUBJECT
(ARREST CSTD #1) HESTER, DEMETRIA S (DOB: Nov-30-

On the listed date/time, I was working on a formal arrest team assisting with the interview wand processing of those arrested during a protest/riot that occurred that night in North Portland. Hester was arrested by Ofc. Le at N. Elmore/Lombard then transported downtown by the field arrest team. Hester, along with several other arrested females was reported to be loud and disruptive in the custody transport, so it was decided to contact them in the sally-port for the jail rather than attempt to bring them up to the detective division. When Hester came out of the custody van, she refused to talk with me and began repeating, in a song-like fashion, "your mama hates you." Hester was given a receipt for her belongings and walked into jail by uniformed officers.

Refer to all related reports for additional details.
